

BINGO

Media Literacy

watch TV together	kids can become poor at learning difference between "good" and "bad" TV without help from adults	Arthur helps teach expressive language	an "always on TV" causes children less focused play
the learning triangle combines active TV viewing with related books and activities	it is important to know what your kids are watching	Between the Lions helps 4-7 year olds learn to read	it is great to use your VCR to pick and choose programs and themes
parents need to set healthy TV routines when child is small	kids watching shows containing violence, sex, etc. is unhealthy	limit TV time	Barney helps teach healthy social behavior
active viewing is a good habit to start	you can find OETA's schedule in the newspaper, TV guide or on PBSKids.org	FREE SPACE	watch programs, not constant background TV
