

**THIS IS WHAT YOU CAN DO AT HOME TO HELP YOUR CHILD DO WELL IN SCHOOL!**

Dear Families,  
Teaching your child names of colors will help him/her do better in school. Talk about colors when you are driving in the car, playing or looking at pictures—anytime, any place! Our world is full of colors.

When you are first teaching your child colors, name the color for him/her, “That car is red.”  
“The plate is red.” After you have done that a lot of times, and for several days, ask your child to tell you what color the car is. Thanks!
