

EARTH TRAILS PRODUCTIONS

PRODUCER HANDBOOK

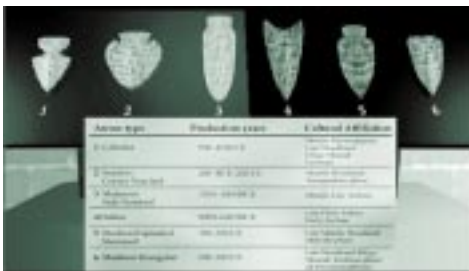

Student

Create an Assignment

1. Select your assignment.

You pick your project.

2. Travel around and research your assignment.

What sorts of reptiles crawl around in a swamp?

What are flyways and where are they?

Who was James B. Eads and what did he do?

3. Capture media

Take some video of a New Orleans jazz band.

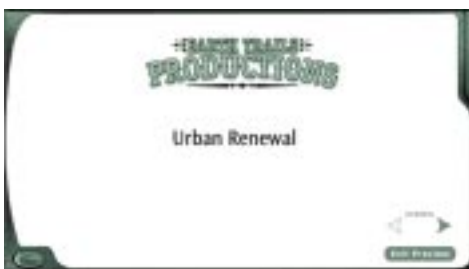

Snap shots of burial mounds.

Record jazz musicians.

4. Import media and text into the assignment.

Combine your images, video, text, and sound into dynamic presentations.

5. Preview your assignment.
